General American vs. the Eastern New England Accent "A few examples of differences between some regional dialects and General American or Network English are in order here, though these are necessarily selective. In the characteristic speech of Eastern New England, for instance, rhotic /r/ is lost after vowels, as in far or hard, while it is retained in all positions in General American.

For a more neutral, General American accent, settle in and watch Star Wars, the Dark Knight trilogy, or for an old-time classic, try *Gone With the Wind*. To experience more diverse regional accents the US has to offer, try *Fargo*, set in Minnesota in the midwest.

5 Tips to easily master the American accent | The ...
Within American English, General American and accents approximating it are contrasted with Southern American English, several Northeastern accents, and other distinct regional accents and social group accents like African

Access Free Access Accents General American Performance Books An Accent Training Vernacular English. So General American English is exclusive by definition.

Just What is General American English? | Dialect Blog
If someone is speaking with a General American accent, they supposedly sound distinctly American, but it's impossible to place exactly where they're from. There are attempts to define General American's sound, but because it is only defined in relationship with other accents, it is a slippery concept. It simply does not exist in nature.

The United States Of Accents: General American
General American English or General American (abbreviated GA or GenAm) is the umbrella accent of American English
