The Affluenza Virus is a set of values which increase our vulnerability to emotional distress. It entails placing a high value on acquiring money and possessions, looking good in the eyes of others and wanting to be famous. This book offers a compelling analysis of the causes and symptoms of the virus, which affects all Western societies.

~~Affluenza by Oliver James (Paperback, 2007) for sale ...~~

Oliver James examines the relationship between affluence, self-esteem and happiness. He does this principally by recounting stories of people who he's met who represent one or other end of the spectrum of happiness/affluence. My principal difficulty is that he reaches extraordinarily certain opinions based, seemingly on these cases alone.

~~Affluenza Audiobook | Oliver James | Audible.co.uk~~

If Oliver James is suffering from what he calls "affluenza" – a depressive middle-class sickness brought on by social and material envy – then he has the symptoms well under control.

~~Are you suffering from affluenza?—Telegraph.co.uk~~

Oliver James trained and practised as a child clinical psychologist and, since 1988, has worked as a writer, journalist and television documentary producer and presenter. His books include Juvenile Violence in a Winner-Loser Culture, the bestselling They F*** You Up, Affluenza and Contented Dementia. He is a trustee of two children's charities: the National Family and Parenting Institute and Homestart.
