Why apply for Engineer Jobs in New York City at Amtrak? Amtrak trains connect businesses and communities across the country and move America's workforce toward the future. We seek qualified, dedicated professionals with demonstrated work experience and/or relevant skills to join our team.

Engineer Jobs in New York City - Amtrak

Amtrak is a good company to work for. I just think the excess ment test they give you to see if you qualify in the beginning has nothing to do with the job that you are striving to perform. Specially on the passenger engineer trainee position. And I bet 9 times out of 10 they done passed up some good works just because of that stupidity
