media critics, and in podcasts, blogs, and more traditional outlets — including books — historians are and need to be voices for perspective.

The Importance of Academic (History) Writing - The ...
History is an argument about how to interpret the past, but students often think of it as a timeline of events or a straightforward set of facts. To counteract this, I emphasize in my classes that the past cannot be examined without interpretation, and that historians will arrive at different, and often conflicting, conclusions.

History is an Argument | TeachArchives.org

Where To Download An Argumentation Of Historians The Chronicles Of St Marys

In the field of classical studies, it often refers to the assertion that an author is ignorant of a subject, based on the lack of references to it in the author's available writings. Thus in historical analysis with an argument from silence, the absence of a reference to an event or a document is used to cast doubt on the event not mentioned.
