Authority In Middle English Proverb

Authority is properly the servant of justice, and political powers are arbitrary and illegitimate if not based upon qualification for that service. This is the doctrine of the ethical derivation of authority or public power, as opposed to that of an unconditioned and inherent sovereignty. ~ David Atwood Wasson.

1. Proverb, maxim are terms for short, pithy sayings. A proverb is such a saying popularly known and repeated, usually expressing simply and concretely, though often metaphorically, a truth based on common sense or the practical experience of humankind: "A stitch in time saves nine." A maxim is a brief statement of a general and practical truth, especially one that serves as a rule of conduct or a precept: "It is wise to risk no more than one can afford to lose."
