Writing a Research Paper at Colleges and Universities. January 3, 2018 By Ben 4 Mins Read. After you start college, at one point or another, you're going to have to write a heavy-duty research paper. This isn't your high school English teacher's five-page requirement, either. This is going to be the 28-page monster you've heard about, but hoped wasn't really true, and it will be a task that you'll likely have to repeat more than once during your college career.

Research Paper: College and Career Coaching for High School Students. To achieve and live the American dream, students are programmed early in life to work hard, do well in school, get into a prestigious college, and graduate from college. This poses stressful challenges for many students because the adolescent brain is in one of its most vulnerable stages when it faces stress, including high-school preparation for college admission—taking SAT and ACTs, building a portfolio of ...
