Zecharia Sitchin (July 11, 1920 - October 9, 2010) was an author of books proposing an explanation for human origins involving ancient astronauts. Sitchin attributed the creation of the ancient Sumerian culture to the Anunnaki, which he stated was a race of extraterrestrials from a planet beyond Neptune called Nibiru. He asserted that Sumerian mythology suggests that this hypothetical planet ...

How this book was different
from the first one

Destroyer, still on the same
world but with two very
opposite main characters.

While Ares and Calexa were
two broken persons who each
healed one another, Imril
and Esania are leader who
have lost their world, Imril
because of his arrogance and
Esania to help her people.
