~~Difference Between International Edition~~
An International Edition textbook is simply the international counterpart to a US Edition. Most international editions have slightly different covers, many have different ISBNs on the outside covers (although some have the same ISBN as the US edition on the inside), but are still printed on high-quality paper. International Edition textbooks may have an international label on the cover.

~~International Editions - TextbookRush~~
You are confusing global ROM and global VERSION. ROM is just the OS, version is the entire phone. Gearbest's international version usually means that it just comes with global rom installed. Global version means additional LTE bands. You should be able to check this yourself: Gearbest should have a product info/description that lists supported bands.

~~What is the Difference between International ROM and ...~~
The New York Times International Edition is an English-language daily newspaper printed at 38 sites throughout the world and sold in more than 160 countries and territories. Founded under the title Paris Herald in 1887 in Paris as the European edition of the New York Herald, it changed owners and was renamed several times: it became the Paris Herald Tribune, the European edition of the New ...

~~The New York Times International Edition - Wikipedia~~
International Editions go through edition updates just like the Student Edition. Global edition - Global Edition textbooks are published with the intended audience of the rest of the world, outside of the United States. Global Edition textbooks are not a direct mirror of their North American cousins. They are written for an audience outside the US, which means you can expect them to have more differences than the average International Edition.
