Documentation of Homebound Status. Documentation from the certifying physician's medical records and/or the acute/post-acute care facility's medical records is used to support the certification of home health eligibility. This documentation must support the patient's need for skilled services and homebound status.

Documentation of Homebound Status - CGS Medicare

Reading carefully, skillful documentation of homebound status is generally speaking much longer than a simple statement. While the statements in the 'bad' column may actually state the homebound reason, they do not offer enough information for a third party reviewer to make an independent determination of homebound status.

Documentation of Homebound Status

Documentation of Homebound Status. Documentation from the certifying physician's medical records and/or the acute/post-acute care facility's medical records is used to support the certification of home health eligibility. This documentation must support the patient's need for skilled services and homebound status.

Determining Homebound

Documentation of the homebound status needs to be clear throughout the duration of care. Whether stated or implied, the homebound status must be obvious from a reviewer's standpoint. All homebound documentation in the Plan of Care (POC) must be supported by documentation in the medical record as well.

Homebound Status - Alora Health

Homebound status is not always permanent. A patient recovering from surgery, an accident, or episode of acute illness can be homebound for a short term. However, once that status changes, the patient must be discharged for outpatient care or follow up. By the same token, homebound status cannot change on a day-to-day basis to meet with the convenience of homecare. Staying home from outpatient therapy for a few days because of flu or a cold does not a homebound status make.

Documentation of Homebound Status - SecuritySeek

and lack of proper documentation of homebound status is one of the top reasons for claim denials. Regardless of why the patient is homebound, the physician's narrative must be thoroughly detailed. Circular logic, such as "They're homebound because they're homebound," with no explanation as to

Get doctors to detail homebound status on face-to-face ...

The homebound status fulfills one aspect of qualification for homecare. The documentation of the physical assessment and skilled need serves to illustrate the validity of this status. For example, "upon initial examination, the patient was severely SOB from the 3 minutes it took to ambulate to the front door from the bedroom... a distance of 35 feet."
