He makes a scary monster out of six pumpkins, attends a Halloween party and scares himself stupid with his own growling stomach. (he was hungry!). I watched this via YouTube because i was looking for another story and I'm glad I watched it now.

Halloween has been celebrated on Dragon Cave every October since 2008. Typically the celebration will include a Halloween-themed mini-game, a new set of Trick or Treat items to collect, and the release of a new Halloween dragon. In addition, the Halloween season is the only time of year that past Halloween dragons may be bred, or found in the special limited-time Halloween biome of the cave.
