acknowledges that students are already competent speakers of at least one home language.

English As an Additional Language (EAL) - ThoughtCo

Being able to speak more than one language is extremely advantageous. It can enhance a child's self esteem and identity, as well as developing and enhancing cognitive and thinking skills. Some children will learn to speak two languages from birth and other children may learn one language first and then a second language.

English as a second or first additional language | Editing ...

The first language is 'acquired' and the second language is 'learned'. The difference between these two words describes the qualities of the two languages. 'Acquire' means "to come into possession or ownership of" which indicates that the first language is like a dynamic and abstract property which comes into possession of a person.

Home Language versus First Additional Language Instruction ...

"Basically, we can divide up countries according to whether they have English as a native language, English as a second language, or English as a foreign language. The first category is self-explanatory. The difference between English as a foreign language and English as a second language is that in the latter instance only, English has actual assigned communicative status within the country. All told, there
