Framing the Solid South: The State Constitutional ...

In Framing the Solid South, Herron assembles persuasive evidence from the records of state constitutional conventions to show that it was in the many conventions held between 1860 and 1902 that a single collective Southern identity was formed. From the offenses explained in the secession conventions, through the painful acceptance of defeat in the reconstruction conventions, to the careful construction of a white electorate at the turn of the century, delegates grappled with the traumas and ...

Framing the Solid South - University Press of Kansas

Framing the Solid Southtraces the consolidation of the southern states through these conventions in three waves of development: Secession, Reconstruction, and Redemption. Secession conventions, Paul Herron finds, did much more than dissolve the Union; they acted in concert to raise armies, write law, elect delegates to write a Confederate Constitution, ratify that constitution, and rewrite state constitutions.

Framing the Solid South: The State Constitutional ...

Paul E. Herron's Framing the Solid South is a lucid work, tackling an age-old historical question: How did the American South as a collective political entity come to be? Herron's take on this is a novel one. He locates the creation of southern identity in the southern states' individual constitutional conventions.

Framing the Solid South - Paul E Herron - Bok ...

The Solid South or Southern bloc was the electoral voting bloc of the states of the Southern United States for issues that were regarded as particularly important to the interests of Democrats in those states. The Southern bloc existed especially between the end of Reconstruction in 1877 and the passage of the Civil Rights Act in 1964.
