Genocide A Comprehensive Introduction

Genocide: A Comprehensive Introduction is truly comprehensive, ranging from antiquity to numerous episodes that straddle the porous borders between "genocide" and "mere" crimes against humanity. The book also ventures to offer strong passages on the psychology of perpetrators; genocide denial; international law, and artistic representations.

Genocide: A Comprehensive Introduction: Amazon.co.uk ...

An invaluable introduction to the subject of genocide, explaining its history from pre-modern times to the present day, with a wide variety of case studies. Recent events in the former Yugoslavia, Rwanda, East Timor and Iraq have demonstrated with appalling clarity that the threat of genocide is still a major issue within world politics. The book examines the differing interpretations of ...
