is defined by the World Health Organisation, and means skin to skin contact starting early , PLUS breastfeeding and support for parents, PLUS early discharge. So this is much broader, but many people still believe that the baby must be "stable" before KMC can start.

Kangaroo Mother Care " What is KMC?
KMC, or Kangaroo Mother Care, is a method of caring for an infant where the mother nurses her infant against her bare breasts. The infant, who usually only wears a woollen cap and a nappy, is kept upright, often with a towel, piece of cloth or binder. The mother wears a dress or shirt over the infant. This is known as the KMC position. 2.
