Michael, (born October 25, 1921, Sinaia, Romania—died December 5, 2017, Aubonne, Switzerland), king of Romania and, during World War II, a principal leader of the coup d'état of August 1944, which severed Romania's connection with the Axis powers.

*Michael | King of Romania, Facts, & Reign | Britannica*

Michael of Romania is a real gentleman, a monarch who ruled too shortly but one feels that Romania would have been better off with him. A man, a king, a human being who would have made a difference. The biography is not perfect, not the last word on Michael as it is too short on matters after the abdication, family and misses oddly certain aspects of Michael's personality.
