The term picture bride refers to the practice in the early 20th century of immigrant workers in Hawaii and the West Coast of the United States and Canada selecting brides from their native countries via a matchmaker, who paired bride and groom using only photographs and family recommendations of the possible candidates. This is an abbreviated form of the traditional matchmaking process and is similar in a number of ways to the concept of the mail-order bride.

"Picture Bride" tells the story of one of them, Riyo (Youki Kudoh), who is forced to leave Yokohama under a cloud (both her parents have died of tuberculosis). She has learned a little English and hopes to make the best of the "paradise" her future husband has described in letters, but when she sees him she can't believe her eyes: He is old, in his 40s, much older than the dated photograph he sent.
