Set up React and write your first "Hello world" web app. Create and use custom React components alongside generic DOM components. Build a data table component that lets you edit, sort, search, and export its contents. Use the JSX syntax extension as an alternative to function calls.

React: Up & Running [Book]
Safari Books Online is an on-demand digital library that delivers expert content in both book and video form from the world's leading authors in technology and business. Technology professionals, software developers, web designers, and business and creative professionals use Safari Books Online as their primary resource for research, problem ...

Preface - React: Up & Running [Book]
The version of React used in the book is a little old now, and there are some mismatches between the code listed in the book and the code displayed in the screen caps. I would have appreciated more long code listings with all of the functions shown together, and fewer listings of isolated functions on their own.

Also, I don't understand how this book would be 'Up and Running'. This is a complete in-depth dive into various components and does not get into development until much later in the book. Chapter 7 or 8. 2. Lot of design guidelines/patterns (For example, Using child components to pass props) are covered in chapters which are meant to teach React.

From the Home screen, you can access Safari within Simulator. Use Safari to test your iOS web apps directly on your Mac. From the Home screen, click Safari. In the address field in Safari, type the URL of your web app and press the Return key. If your Mac is connected to the Internet, it displays the mobile version of the URL you specified.

Getting Started in Simulator - Apple Inc.
The way I react when I am provoked is very mellow and calm. I act as if though nothing was even done to me. The extent of how much I was provoked, also affects how I will react. Usually, I smile and I might even take it further and insult them in a sarcastic manner. I try to be smart yet stand my ground.
