~~Leadership Team | Stellar Recruitment~~

What's the #1 frustration that technical leaders experience? Communicating and being understood by non-technical people! That's because most technical leaders are still identified with being a Subject Matter Expert. That's okay if you don't want to expand your influence and you want to remain an SME. However, your success and reputation will be limited if you don't learn how to get ...

~~About~~ | Stellar

If leadership is truly "influence," then all of us are leaders in some area of life. And, then, maybe there is something even more defined. Simply for discussion I'll use a term: Stellar Leadership. The kind of leadership the truly great leaders provide. Stellar: Pertaining to a preeminent performer—or-Outstanding or immense.
