From the era of slavery to the present day, the first full history of black America's shocking mistreatment as unwilling and unwitting experimental subjects at the hands of the medical establishment.

## *Medical Apartheid: The Dark History of Medical ...*

Synopsis. Medical Apartheid traces the complex history of medical experimentation on Black Americans in the United States since the middle of the eighteenth century. Harriet Washington argues that "diverse forms of racial discrimination have shaped both the relationship between white physicians and black patients and the attitude of the latter towards modern medicine in general".
