## References

More. In Disney and Pixar's animated city of Monstropolis, multifarious monsters live and work in a society whose main industry is terror. At Monsters, Inc., creatures great and small, tentacled and hairy, lurk in the closets and under the beds of human children, frightening them

# Online Library The Art Of Monsters Inc Book

to produce screams which are then bottled and used as a power source. The gateway between this parallel universe of colourful characters and the human world is a simple door.

????? The Art of Monsters Inc

Pixar's Monsters, Inc. was, as far as I'm concerned, the best animated feature released this year. This art book, published by Chronicle (not Disney -- how odd?), is the only "making of" tie-in created for the film and a delightful visual companion to the movie.
