~~Great Partition the: Amazon.co.uk: Khan, Yasmin ....~~

One of the first events of decolonization in the twentieth century, Partition was also one of the most bloody. In this book Yasmin Khan examines the context, execution, and aftermath of Partition, weaving together local politics and ordinary lives with the larger political forces at play.

~~The Great Partition: The Making of India and Pakistan ....~~

Yasmin Khan, Yale University Press, £20 This is probably the best book going on the partition of the British Indian Empire. It provides an incisive analysis of the endgame of the empire between 1945 and 1947. What comes across loud and clear is the extent to which all the major players failed to foresee the consequences of their actions.

~~The Great Partition | Socialist Review~~

In The Great Partition, Yasmin Khan exposes the widespread obliviousness to what Partition would entail in practice as well as the haste and recklessness with which it was completed. Moreover, she powerfully underscores the catastrophic human cost and shows why the repercussions of Partition resound even now, some sixty years later.
