The Victory of Reason : How Christianity Led to Freedom ...  
In The Victory of Reason, Rodney Stark attempts to carry this revision forward by extending it to the success of the West in more general terms: not only in science, but also in the growth of capitalism and the development of political freedom. He suggests that Western success in these areas was not inhibited but rather encouraged by Christian ideas, albeit ones that took some time to develop fully.

The Victory of Reason - BreakPoint  
The Victory of Reason is a history book, not a book on religion. It posits that Christian theology has led to four big accomplishments of mankind: 1 - a belief that human progress was possible, 2 - that personal freedom was essential to happiness, 3 - technical and organizational innovation and 4 - the development of capitalism.
