Understanding Social Problems - Linda A. Mooney, David ...

Just as history defines social problems, so do values. Values are a part of society's nonmaterial culture that represent standards by which we determine what is good, bad, right, or wrong. As we've mentioned before, one of the country's largest current social problems is unemployment. But why do you suppose this is?

THE STUDY OF SOCIAL PROBLEMS - Pearson Education

Understanding Social Problems 8th Edition Study Guide

Social problems result from some "sickness" in society. Society becomes ill when its parts (elements of the structure and culture) no longer perform properly. Social illness also results when members of a society are not adequately socialized to adopt its norms and values. Members of society must receive proper socialization and moral education.
