Well, there you have it. 21 things everyone should know about life. If you work your way through each one, you'll be ready for your final exam. In the meantime, you may want to choose just one to work on at a time. No sense in being overwhelmed. Just choose one of the 21 and focus on it for a time. You won't master it right away.

21 Things Everyone Should Know About Life

In addition, when you are asked at the end of the meeting if you have anything to add, you will be ready to list any qualities that you haven't been able to tell the interviewer about yet. Be ready to supply examples from your work, volunteer, or academic history that prove that you have added value to other companies by applying those skills in the past.
