There were two very different lifestyles in 18th-century England: that of the rich and that of the poor. With the Industrial Revolution, which started in the middle of the century, came new machinery that saved time and made some people very wealthy. The rich were getting richer and the poor, poorer.

"John Pemble writes:" William Rubinstein is an expatriate New Yorker who has spent his academic life investigating wealth and the wealthy in modern Britain and overturning cherished ideas by looking at the British from the top down rather than from the bottom up. "Who Were the Rich?," compiled from probate records, will identify everyone who died in Britain between 1809 and 1914 leaving ...
